Dear Sharon Ventura:

It is a pleasure to acknowledge formal accreditation of your facility by AABB. Your quality and operational systems have been assessed and determined to meet or exceed the rigorous requirements set by the association. Specifically, accreditation is extended to your facility for the performance of the following activities as assessed under the 7th edition of the *Standards for Cellular Therapy Services*:

Cell Therapy Activity: Cord Blood – collection, processing, storage, distribution

This letter of accreditation and the enclosed certificate are your official record of this action. We hope you display this award in a prominent place as evidence of your commitment to attaining the highest standards of quality. Your accreditation will expire on June 30, 2019.

The enclosed accreditation kit contains marketing materials such as logos, decals, and a sample press release. We hope the accreditation kit will be helpful to you in communicating the importance of AABB accreditation to your peers and the community you serve.

Please extend my most sincere congratulations to your staff and your governing board.

Sincerely,
